OF THE SECOND PART:

WHEREAS the Grantor is the owner in fee of those certain parcels or tracts of land and premises, situate, lying, and being in the Municipality of Surrey, in the Province of British Columbia, and being more particularly known and described as Lot 6 of the west half of the northwest quarter of Section 27, Township 2, Plan 8366, NWD, shown as right-of-way and outlined red on Plan 40802 (hereinafter referred to as the "said lands"):

AND WHEREAS to facilitate the installation of a sanitary sewer main and works the Grantor has agreed to permit the construction by the Grantee of the aforementioned works on the said lands, to grant for that purpose the right-of-way hereinafter mentioned:

NOW THIS INDENTURE WITNESSETH that, in consideration of the sum of one dollar (\$1.00), now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged) and for other valuable consideration the Grantor, for himself, his heirs, executors, administrators, and assigns DOTH GRANT unto the Grantee, its successors and assigns, a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises, situate, lying, and being in the Municipality of Surrey, in the Province of British Columbia, and more particularly known and described as

all that portion of Lot 6 of the west half of the northwest quarter of Section 27, Township 2, Plan 8366, NWD, shown as right-of-way and outlined red on Plan 40802;

and a temporary working area described as

And for the purposes aforesaid to enter upon and have free and uninterrupted access at all times to the said right-of-way, with or without workmen, vehicles, and equipment:

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands:

And it is mutually understood and agreed by and between the parties hereto that this indenture shall be construed as a covenant running with the land, TO HAVE AND TO HOLD unto the Grantee, its successors and assigns forever.

THE GRANTOR HEREBY COVENANTS and agrees with the Grantee that the Grantor will

not erect, place, or maintain any building or structure on any portion of the right-of-way:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting on or adjacent to the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And that the Grantor will not diminish the soil cover over any pipe installed in the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

(d) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and (or) replacement and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible;

(e) will repair any damage to the right-of-way occasioned by its use of the right-of-way.

IT IS MUTUALLY UNDERSTOOD, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way and with respect only to that portion of the right-of-way of which the Grantor shall be seised or which he shall have an interest, but that the land shall, nevertheless, be and remain at all times charged therewith:

And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the right-of-way in any manner which does not interfere with the security or efficient functioning of or unobstructed access to the said works.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

TIMBER SALE LICENCE A03913

A PUBLIC AUCTION will be held by the District Forester at Kamloops, British Columbia, not later than 10.30 a.m. on the 10th day of March 1972, for the purchase of Licence A03913, to authorize the harvesting of not more than 350,000 cubic feet of timber each year for a 2-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on an area situated approximately 10 chains east of Legerwood Creek, KDYD, within the Eagle Public Sustained-yield Unit in accordance with a development plan to be submitted by the successful tenderer.

A tenderer must be the operator of a sawmill with barking and chipping facilities that is able to utilize logs to a 4-inch top diameter. Each tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his sawmill operating.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Further particulars may be obtained from the Deputy Minister of Forests, Victoria, British Columbia; the District Forester, Kamloops, British Columbia; or the Forest Ranger, Sicamous, British Columbia.
